An ambulance should be called at once - dial 000 and ask for the ambulance (or dial 112 on a mobile phone). Assistance and care are to be given to the individual concerned pending the arrival of the ambulance. As far as is reasonably possible every effort should be made to provide privacy to the person who is ill.

Note: the RSL has a defibrillator if this is required. This should only be used with the permission of the RSL, and by a person with medical or nursing experience having appropriate current training in the use of a defibrillator.

Fire Plan – Evacuation

1. Probus is a guest of the Box Hill RSL and is obliged to follow their standing fire orders. The RSL have determined that in the event of a fire (and any other emergency requiring the evacuation of the building) that the car park situated between the bowls rink and Nelson Road on the North side of the building is the designated assembly area for patrons and staff using the Upton Room.
2. The Club shall appoint three members as Fire Wardens to implement the Fire Plan in the event of the fire alarm being activated. The Fire Wardens will be responsible for a) familiarising themselves with the fire plan; and, b) ensuring that (i) the fire escape doors are unlocked prior to each meeting, and are locked at the conclusion of the meeting; and, (ii) members are directed to only exit the building by the fire escape doors and not to attempt to use the doors (on the south side of the meeting room) to go to their vehicles in the multi storey car park or enter the RSL Club itself.

3. In the event of a fire alarm the Fire Wardens will open the glass doors to the terrace between the Upton Room and the bowls rink. The Fire Wardens will lead members to the Designated Assembly Area. Able bodied members are requested to provide all necessary assistance to frail or handicapped members.

5. The Membership Convenor(s) will proceed to the Designated Assembly area with the attendance register for the meeting. Those present will then be checked off against the register. It is essential that all members are checked off against the register to ensure that we can account for all members to the emergency services.
6. When the RSL/Fire Brigade declares the emergency at an end, Club members will be free to return to the Upton Room and resume the meeting. Alternatively, the President may determine to close the meeting and members may go to the RSL car park to recover the motor vehicles and go home.
7. The Club will endeavour to hold a fire drill on at least one occasion per year.

Any member carrying Club money must do so in a way that does not draw attention to the fact, and must safeguard it during transport and whilst it is being held in their own home.

In the event that any unlawful demand is made for Club money, the personal safety of the member involved is of the highest priority, and there is no requirement on members to place themselves at personal risk to protect Club money.

- Seeks to pair up new members with suitable Activities, so as to assist and learn how such events are managed, but not necessarily with a view to taking on the role in question.

- Deal with requests to restrict access to information in the Club's register of members
- Add or remove delegates of the Club (e.g. Club's accountant or solicitor).

Treasurer

The office of Treasurer is important, and while it is not essential to have accountancy qualifications it is desirable that the Treasurer at least be familiar with elementary bookkeeping and banking procedures. The duties are not onerous but they should be discharged conscientiously.

- The Treasurer should be aware of government concessions and taxation requirements for a Probus Club and ensure they are complied with
- Ensure that the Club has a bank account with cheque facility and electronic banking, and keep control of the chequebook. There should be at least four signatories/authorities available; e.g. President, Vice President, Secretary, Treasurer. - Hand over all books and records and briefs the new Treasurer on his/her duties.

Membership Convenor

The Membership Convenor is responsible for Member Services, Membership Extension and reporting to the Management Committee.

1. Member Services

- In co-operation with the Secretary and Treasurer, ensure that a complete list of members' names, addresses, contact phone numbers, and email addresses is maintained
- To record members and visitors attending each meeting. Also, to ensure that all non RSL members are registered at each meeting. The Convenor should have access to a mobile phone and a list of emergency contacts for members and any visitors
- Prepare name badges for each member
- Liaise with the Welfare Officer as required.

2. Membership Recruitment

- For effective membership recruitment it is important that a suitable application or proposal form be used and that all applications bear the signature of the Proposer and Seconder as well as that of the Applicant
- Probus is an organisation for retired and semi-retired business & professional people and others with connections to Mont Albert and its vicinity
- The Membership Convenor should interview the Applicant (preferably in conjunction with the President, Vice President or Secretary) and advise the Committee about the person's application.

3. Management Committee

- The Membership Convenor is not an elected position, but ideally should be an elected member of the Management Committee
- The Membership Convenor is a member of the Appointments Committee assisting to identify members for nomination to Committee positions at the next Annual General Meeting.

Newsletter Editor

The Newsletter is a most important means of ensuring members are kept up to date with Club activities. This is made available as members register attendance at general meetings. It is also available on the Club's website. Contributors are asked to ensure that the material they want included is available in good time in order to meet proof reading and printing deadlines.

It covers:

- The President's message
- The day's guest speaker and his/her subject
- Information regarding the outings and other activities over the coming months and beyond
- A diary of activities for the coming months
- General Club information
- A copy should be emailed to the Club's Web Manager for inclusion on the Club's website
- The Newsletter Editor will arrange with the printer in good time to ensure the Newsletter is available for the General Meeting.

Welfare Officer

The Welfare Officer keeps in touch with sick or bereaved members, or those who are in need of moral support or physical help.

He/she should:

- Send cards with appropriate messages to sick or bereaved members
- Work in conjunction with the Secretary and President to keep members informed in the event that a member, or a member's spouse, is seriously ill or dies. Help with activating the telephone tree for those members not accessible by email
- Advise the Committee if support is needed, either by member visits or transport to meetings
- Liaise with the Membership Convenor when requested
- Report to the Committee and General Meeting giving details of welfare activities, after gaining permission from the person (or their family).

Minutes Secretary

The Minutes Secretary Records minutes of each General Meeting, Committee Meeting and Annual General Meeting. Copies of these minutes are sent to the President, Vice President, Secretary and Treasurer.

Outings Convenor

The aim of the 'Outings' is to provide a range of visits to places and events of interest to members in any one year. It is hoped that the visits will include a mix of outings to suit as wide a variety of interests as possible. Ideally:

- They should range from places in the local area, in Melbourne city and areas further afield
- They should use a range of transport e.g. bus, car pool, and public transport
- The cost of 'Outings' should vary, ensuring that in any one year there are no/low-cost trips, medium cost trips and only one or two of higher cost
- Varying the level of physical difficulty involved should also be considered.

Planning - to assist in the planning of 'Outings':

- 'Outings' have traditionally been held in the third week of the month
- Check in the Red Book for previous outings to the same or similar locations/activities
- Collect suggestions from Club members. A survey about 'Outings' may be conducted every 2 – 3 years
- Collect information from other Probus Clubs
- Check the brochures file
- Bus companies have many good suggestions for planned day outings
- Consider what you would like to do for an 'Outing'. After all, you must enjoy the activity also!

Responsibilities of the Outings Convenor:

- Maintain a record of all visits and costs in the 'Red Book'
- Ensure that a dated list of all members and non-members is recorded for each activity session. This list must be maintained for 13 months for insurance purposes
- Attend Management Committee Meetings
- Investigate and develop an annual calendar of suitable 'Outings'. Liaise with other Convenors to avoid date and activity duplication. Joint 'Outings' with other Probus Clubs may be considered

- Ascertain the feasibility, costs and booking details of proposed 'Outings'
- Assume a considered responsibility for risk management when planning an activity and, within reason, manage medical incidents that might arise during the activity. Whilst considering a possible activity to offer to Club members, if the potential risks are perceived to be too great, the activity should not be offered. Risk management involves identifying and then communicating to participants, any known/potentially limiting hazards that might be associated with the activity. Such information about the potentially limiting factors of an activity should be communicated verbally, during a General Meeting and/or in writing via the monthly Newsletter in which the activity is advertised. To ensure that risks can be managed effectively on the day, the Convenor must have access to a mobile phone, the participants' contact details as well as an updated Emergency Contacts list, including the emergency contacts details for any visitor/s. If the organising Convenor is absent for the activity, a nominated deputy should be appointed to ensure that all risk management conditions are overseen.
- Submit a list of the proposed 'Outings' to the Management Committee
- Book venues and transport well ahead. Buses may need to be booked many months in advance
- Notify the Newsletter Editor of 'Outing' details and arrangements, at least two or three months ahead of the 'Outing'
- When announcing the planned 'Outing', advise the date, time and venue details. Include contact telephone numbers of Convenors and venue, clear directions and pace and time of departure. Advise of morning tea and lunch arrangements. Advise members of contingency and cancellation arrangements
- Members must write their own names on the 'Outings' list. This is for verification purposes. Between meetings, if members decide they wish to join an 'Outing' they must communicate this to the Convenors in writing (email or note). A phone call alone is not adequate
- Collect correct payment from members. Cash and cheques are to be collected in an envelope clearly identifying the member's name. For payment verification purposes, these envelopes must be kept securely until after the outing. Electronic payments to the Club's bank account must include the member's name(s) and the name of the event
- Bank money collected, where applicable. Money must be banked promptly, by the Outings Convenor. Deposit records must identify the event name, the deposit date, and for each member (and any non-member participant) their name and payment method (cash or cheque). A copy of these banking details must be provided to the Treasurer
- Cheques or electronic payment for the venue and bus (if required) must be obtained from the Treasurer well in advance. All receipts must be obtained from any expenses, venue and/or bus company. These receipts must be given to the Treasurer with the Financial Statement that must be provided after the 'Outing'
- In line with the Probus Club of Mont Albert Inc. policy, reimbursements will only be given if a member replacement can be found, or if withdrawal from the outing is advised well in advance. Convenors must be advised of any cancellation on the day of the outing. Generally, cancellations on the day will not be reimbursed
- If the 'Outing' is not full, those on the Probus Membership Waiting List or non-members may be contacted about joining the 'Outing'
- From time to time some 'Outings' may make a small loss, and some may make a small profit. Over the year, however, costs of 'Outings' should equal expenditure
- If the Club has obtained a Council Transport Grant, aimed at promoting access to 'Outings', Convenors may be able to subsidise some 'Outings'. Subsidising must be done in collaboration with the Treasurer
- On the day of the 'Outing', Convenors must also have with them:
 - any required cheques
 - contact details of the bus company, venues, etc.
 - Incident Report form, First Aid Kit (depending on the 'Outing') and;
 - it has been traditional for the Convenor to take wrapped 'lollies' on extended bus 'Outings'.

Speakers Convenor

Arranging for interesting guest speakers is one of the most important and challenging assignments in a Probus Club. To hold the interest of members, programs must be well balanced with informative and thought-provoking subjects presented by accomplished speakers. Some highly qualified speakers are uninteresting speakers so it is a good idea, if possible, to check on a person's "track record" before extending an invitation to speak at your Club. Club members should be asked regularly to give the Speakers Convenor the names of potential speakers. In addition:

- Aim to arrange a varied program six months in advance if possible
- Attend Management Committee meetings and provide a list of future speakers
- Give the Newsletter Editor the current and following month's speaker for the information of members and also announce the names and subjects of the next three speakers at each meeting.
- Approach the speaker at least three months before the meeting at which the person is invited to speak. If necessary explain the objectives of Probus
- Ask the speaker for the title of the talk and a biographical note (for the information of the Newsletter Editor
- Send a follow up letter confirming the arrangements, setting out details of location, time, and length of address (up to 45 minutes plus question time, and your contact telephone number/s)
- Follow up with a reminder call in the week prior to the meeting and check on special arrangements
- Greet the speaker on arrival, offer refreshments, and introduce the President
- Introduce the speaker to the club
- At the conclusion of the talk, and after questions, thank the speaker and present him/her with a gift, or voucher to the value agreed by the Management Committee
- Try to have a list of emergency speakers who can fill in with an interesting talk at short notice, possibly members of the Club. Alternatively utilise the "emergency game/quiz kit" to entertain and involve Club members.

Activity Convenors

The Club may operate a number of activities that are each managed by a Convenor nominated by the Management Committee. The duties of the Convenors include:-

- To be responsible for the effective running of a designated Probus Activity Group
- To liaise with the Management Committee through the Vice President and to make sure that all activities have the approval of the Management Committee thus complying with the operational guidelines and preventing overlaps with other activities
- To ensure that a dated list of all members and non-members is recorded for each activity session. This list must be maintained for 13 months for insurance purposes
- To ensure they are familiar with the Policy & Procedures Manual as it applies to the activities they are responsible for organising
- On receipt of a non-member insurance and Club administration donation, the Activity Convenor will request that the Membership Convenor supply a Visitor Outings badge for the use of the non-member whilst participating in Club activities
- To encourage all members and non-members to wear or carry their Outings badge whilst participating in Club activities
- To collect correct payment from members. Cash and cheques are to be collected in an envelope clearly identifying the member's name. For payment verification purposes, these envelopes must be kept securely until after the activity event. Electronic payments to the Club's bank account must include the member's name(s) and the name of the event

- To arrange, where applicable, the banking of money. Money must be banked promptly, by the Activity Coordinator or the Treasurer (or in the Treasurer's absence the nominated deputy). Deposit records must identify the event name, the deposit date, and for each member (and any non-member participant) their name and payment method (cash or cheque). A copy of these banking details must be provided to the Treasurer
- To ensure that any reimbursement required for a member's prior payment is recorded and the member's signature obtained to acknowledge receipt of same
- To carefully record all out of pocket expenses, including postage and telephone calls, and submit to the Treasurer with receipts for reimbursement
- To collect all invoices from all service providers and submit them to the Treasurer with a request for a Club electronic or cheque payment to the various service providers. Cheques or electronic payment for the activity must be obtained from the Treasurer well in advance. All receipts must be obtained from any service provider. These receipts must be given to the Treasurer with the Financial Statement that must be provided after the activity event
- To assume a considered responsibility for risk management when planning an activity and, within reason, manage medical incidents that might arise during the activity. Whilst considering a possible activity to offer to Club members, if the potential risks are perceived to be too great, the activity should not be offered. Risk management involves identifying and then communicating to participants, any known/potentially limiting hazards that might be associated with the activity. Such information about the potentially limiting factors of an activity should be communicated verbally, during a General Meeting and/or in writing via the monthly Newsletter in which the activity is advertised. To ensure that risks can be managed effectively on the day, the Convenor must have access to a mobile phone, the participants' contact details as well as an updated Emergency Contacts list, including the emergency contacts details for any visitor/s. If the organising Convenor is absent for the activity, a nominated deputy should be appointed to ensure that all risk management conditions are overseen.

Face Behind the Badge Convenor

A member shall be appointed to seek out members to give a brief talk (5 to 7 minutes) concerning some aspect of their lives, family history or their professional or business career. Such talks are almost always very interesting and help to promote friendship within the Club.

Succession Planning Policy

General Statement

The purpose of this Policy is to strengthen the Club's ability to survive by taking steps to ensure new members are well prepared to take on roles in running the Club and its Activities when the time is appropriate for them.

The objective is to reduce the likelihood of the situation which frequently confronts voluntary organisations, that there is a lack of willingness by members to offer themselves for leading roles through lack of confidence or perception of difficulty coupled with responsibility.

Policy

Applicants for membership should be made well aware of the expectation that as members they may volunteer for, or be called on to take on, roles in the Club which range from supporting/assisting through Activity management and Management Committee positions, to Executive positions.

The Club should have in place guidelines and procedures that ensure that the policy is activated with a set of responsibilities assigned to specific Club members and specific Club roles.

Procedures

Newly inducted members will be shepherded into the Club by their sponsor(s), whose obligation will be to introduce them to existing members, to ensure that they are welcomed at General Meetings, and participate in Club Activities – all of which are aimed at familiarisation between them and other members and to give some insight into the operation of the Club.

After about one year the Immediate Past President will seek to pair up new members with suitable Activities, to assist and learn how such events are managed, but not necessarily with a view to taking on the role in question. By mutual agreement new members may experience the running of other Activities, as circumstances permit.

When new members have had between at least one and up to two years' experience in the Club they may expect to be approached to take on specific roles, depending on the circumstances at the time. However, there may be members who may feel very uncomfortable with the prospect of taking on specific roles, and this must be taken into account with appropriate sensitivity.

The Appointments Committee, whose role and structure is described in Standing Resolution 13 is to be chaired by the Vice President. The role of this Committee is to seek to assure continuity of vital executive roles through the AGM elections, and may include approaching new members as set out above.

Members considering nominating as candidates for roles are to be made aware of the computer and technical skills required to successfully undertake the position. Candidates should be confident that they either have these skills or the capacity to develop them. These skills are:

- general computer software (emailing, word processing and file management) - Management Committee roles, Interest Group Convenors and the Website Manager
- online banking - President, Treasurer, Vice President, Secretary
- spreadsheets - Treasurer, Membership Database Manager
- accounting - Treasurer and Auditor
- projector set up - Speakers Convenor
- web site software (e.g. Word Press) - Website Manager.
